

SALISBURY & DISTRICT LICENSED HOUSES CRIBBAGE LEAGUE

Welcome to the 2018/2019 season. Find attached result cards, fixture list, Committee and Pub/Captains contact list, a copy of the AGM minutes, Combined League, Competition and 200 Club rules. Also attached is the 1st round draw of the League Knock out Cup.

Captains please note that the result cards are not stamped this season. Due to rising costs the League can no longer afford the costs of postage. Cards can be hand delivered to the Royal George, the Match Secretaries home or you can affix a stamp. Please make sure that result cards are delivered as soon as possible, that way the league can be updated in a timely fashion.

All teams must look at the fixture list very carefully. Do not assume that the fixtures run home/ away every week. Some teams may have two home or two away games following each other.

Please ensure that all team members are aware of the rules. You are deemed to have read, understood and accepted the rules when the first result card is signed.

If you have to postpone a game you must inform the Match Secretary or a committee member and the team you are playing to re-arrange the game as soon as possible. This is why the contact lists are issued.

Please post results cards as soon as possible after the game to enable the match secretary to update the league tables and the treasurer to publish the tables on the web page.
